Additional material charge for sterling silver: £25. All equipment is provided.

If you have any special access/food allergies or disability requirements, please contact us by email: info@cowshedcreative.co.uk

Course Description:

Stacking rings are ideal to mix and match with your existing jewellery. On this course we will be practicing in brass or copper and then, when confident, move onto silver. We will explore various ways to texture the metal and using jewellery making techniques, which will include shaping, forming, soldering and basic stone setting, You will then learn to measure and make at least three rings. You should leave at the end of the day with a set of shiny new rings and a sound knowledge of how you made them. Suitable for beginners and more experienced makers

Gail Coxon comes from a background in Fine Art and Graphic Design, going on to study Spatial design at the university of Salford. After the sale of a previous business she discovered the joy of metalwork and within two years had started another business selling her own jewellery. Gail is part of a local artists' collective and sells her work online, at Artisan fairs and has had worked exhibited in local galleries and museums. She began teaching wedding ring workshops and one to one sessions and now teaches classes at Heather Fox's jewellery studio.

What to bring

Clothes that aren't precious or an apron

A pen/ pencil and notebook are useful

Glasses if you need them for close work

Material fee to be paid in cash to tutor
